

Roxtec International AB, Sweden

General Technical Statement

EU Regulation No. 1907/2006 (REACH)

At Roxtec International AB, we are committed to providing safe and compliant products. We continuously monitor the requirements of the **REACH Regulation (EU No. 1907/2006)**, including updates to:

- the **Candidate List of Substances of Very High Concern (SVHCs)**
- substances listed in **Annex XIV (Authorisation List)**

Candidate List of Substances of Very High Concern for Authorization

We, Roxtec International AB, confirm that we do not use candidate listed substances in a content over 0,1 % in our products, EXCEPT for one product version of C RS T and RG M63 made of brass-alloy.

Last updated list: February 2026

Number of substances on the Candidate List: 253

(Source: echa.europa.eu)

None of our products contain substances that are currently listed in **Annex XIV** for authorisation.

Roxtec international AB's products have not been tested for these chemical substances. This information is based on our current knowledge, and it shall not absolve the Customer of responsibility to make tests for his intended process purpose.
